NASCAR Presents A&H With Award

The 19th Annual NASCAR Safety and Operations Summit, which featured leading industry experts, panels and interactive workshops related to event operations, innovation and safety concluded with the presentation of several prestigious awards presented for exemplary efforts in the track services, medical and security fields.

The "Behind the Scenes" Award was presented to A&H at this years NASCAR Safety and Operations Summit in Concord,

North Carolina, on January 9, 2019, for exemplary track services in 2018.

We are honored to accept this award, and once again congratulations to the A&H Harrisburg Team.

SERVICE

Spotlight

100% Customer Satisfaction

A&H employees Bill Huemme and Matt Imm from the Bridgeville service department went above and beyond for a customer recently trying to service a Buyers SALTDogg Spreader outside, with temperatures below 30 degrees in the snow!

Thanks Bill & Matt for your dedication!

VACTOR

The Benefits of a Non-CDL Vector Paradigm Excavator -...

Bright sunshine and warm temperatures greeted the over 200 who joined us to celebrate the opening of our new facility in Somerset, PA. Currently the 40,000+ sq. ft facility is primarily being utilized to house our Truck Body Up-Fitting operations,...
