

Stories

These are some of the testimonials from our customers who love their

KEIKART™

The KEI Wheels are a must have with a 330' Push Camera!

Jimmy Martin
Line Maintenance Supervisor

We purchased the sewer camera kit from Key Equipment and so glad it came with everything we needed to get the job done right! The wheels make this camera easy to tow around!

Barry Tucker
Sewer Dept. Field Superintendent

We use the KEI Wheels every time we take the camera on a jobsite. The wheels give full stability while towing the heavy cable reel. A must have!

Timothy Miller
Public Works Director

The KEI Wheels for the EnviroSight VSP+ 330' kit have come in handy many times when towing the push camera into off-road easements!

Randy Cantrell
Utility Line Maintenance Supervisor

KEIKART™

Add-on Wheel Extensions

- Stabilizes heavy cable reel
- Aids in transporting push camera systems on all terrains
- Helps to prevent workplace injuries

The KEI Wheel Kart is a must have with a push camera. Glad we purchased Key Equipment's kit that came with everything we need!

Matt Martinez
Logistics Coordinator

The KEI Kart is an essential part of the push camera, make it very stable when trekking rough terrain!

Keiba Hendrix
Public Works Director

The KEI Wheels with the push camera kit from Key Equipment are a wrist saver when pulling the cable reel, excellent product!

Stephen Corley
Wastewater Collection Supervisor

We didn't think we would use the KEI Wheels, but we use them every time!

Wayne Minyard
Public Utilities Director
