PI TL-2 LIGHTNING LOADER®

SPECIFICATIONS & TECHNICAL DATA

LIGHTNING LOADER® AN AMERICAN LEGEND

The Lightning Loader® is the most envied, most desired, and most imitated grapple truck in the industry. We manufacture 95% of each unit in-house to guarantee quality. Each Lightning Loader® is built to provide maximum strength, durability, and reliability, so you can get the job done fast and free of headaches.

LIFT CAPACITY

Radius	Load Capacity
10 ft. radius	5320 lbs.
16 ft. radius	2650 lbs.

Note: Weight of attachment not subtracted from listed lifting capacities. Trash bucket weighs 1,000 lbs. Capacities shown do not exceed 85% vehicle tipping moment (outriggers engaged and on firm, level ground.)
